**KINDERGARTEN 2015**
When we see Kindergarten 2015 students arrive for their transition program, it shows how much the current Kindergarten students have grown and changed in a year. Gorgeous!
**RIDER REVIVER**
The rider reviver BBQ made roughly $350 (expenses still to be finalised) which will go towards the Year 6 farewell.

Well done to all the Year 5/6 kids; they were polite, smiling and professional in their manning on the stall.

A big thank you to Mr Rutherford, Steve and Aaron who BBQ’d and supervised all day (I’m sure they all put on a few kilos with all the cakes they bought)! A big thank you also to Michelle and Van Osgood who organised the project, the P&C who supported it and all the parents who donated cakes and eggs.

Although we didn’t actually have any bikes stop this year we still had a great day and we hope that next year will be bigger and better.

**ARTWORK FUNDRAISER REMINDER**
Orders for your artwork calendars, cards and diaries etc are due in this Thursday, 23 October. Examples of what you can order are still in the office with extra order forms if needed. They look great.

**HOMEWORK CHALLENGE**
Accelerated Reader Challenge
This term’s challenge is based around promoting reading. Each student will be given a points target to reach by end of Week 8 (28/11). Each class will have all students’ targets added to make a class target for the challenge.

Mr Constable will make a graph displaying the percentage of each class target gained weekly. The challenge is to be the class with the highest percentage of their points.

The following weekly times are suggested for the challenge;
Year 3 = 30 minutes,
Year 4 = 40 minutes,
Year 5 = 50 minutes and
Year 6 = 60 minutes.

Students can read the book themselves, read with you, you can read it to them or a combination.

Bermagui Public School

School Planning

To guide the school plan the school has/is collecting and analysing a wide range of data. Student academic performance data includes class, school and national assessment results. Other data includes attendance, suspension, behaviour referrals, playground records, staff meetings and parliament minutes. In addition, the school has also surveyed staff, students and families about aspects of the school.

The school would like further input from families. A workshop will be held on Monday, 10 November at 5 - 6pm at the School. This workshop will give you an opportunity to discuss your idea/s in a small/large group situation and prioritise the ideas. The results will then be considered by teachers and executive staff.

To assist with planning, please complete the note below and return it by Monday, 3 November.

If you cannot attend but would like to submit a suggestion, please write below, outlining the idea and the positive result from the idea. Please include your name in case clarification is required.

Enquiries Mr Rutherford, Mrs Caves or Mr Constable.

I/We will be attending the workshop on Monday, 10 November at 5pm at the School.
