**SOCIAL MEDIA**
Did you know that you are meant to be 13 years old to have your own Facebook page!
Do you know how your child uses social media?
Do they keep their passwords secure?
Do you know that your child can access the internet through their DET (Dept Ed & Training) login. DET endeavours to ensure that sites are appropriate.

**INTERNET USE**

**Student Code of Conduct**
Internet use is provided at Bermagui Public School to support students in their learning. A Code of Conduct provides guidelines for students. It will help ensure appropriate, safe and secure use. Failure to follow the code will result in loss of use.
STUDENT WELFARE

BIRTHDAY CELEBRATIONS
During our morning assemblies the school announces birthdays. We ask families NOT to bring in cakes etc. This is disruptive to school routines and puts pressure on other families/students etc. Thank you for your co-operation.

SCHOOL UNIFORM
It is wonderful to see so many students in correct uniform. Unnecessary jewellery and wristbands, are not part of the school uniform policy.

IMPORTANT
For everyone’s safety, all visitors including parents must report to the office during class time.

SCHOOL PICK UP
In the interest of all, we ask families not to enter school grounds before 3.10pm and wait under the COLA (assembly area) to collect their child(ren).

ROAD SAFETY
Families are reminded that students can be collected from the bottom playground where there is a lot of spare parking. Please do not park near the bus stop.

CONTACT DETAILS
Please ensure the school has up to date details for your child, especially address and phone numbers.

Thank you for your co-operation in these important matters.

HONOUR CARDS
1 CARD Hunter Fulton-Graham

If it could eat, what would you feed your egg?

THURSDAY
Write a poem about your egg

LIVE LIFE WELL
How much water do children need?
The amount of fluid that children need varies between individual children. The older the child, the more fluid they need. Children should drink approximately 1—1 ½ litres of fluid a day. Children will need more when they are physically active and on hot and humid days. Water is the best drink— for both children and adults— in all situations.
