### LIVE LIFE WELL

**RAINY DAY ACTIVITIES**

Keeping kids active and occupied during wet days can be challenging. Here are some active play ideas for children indoors:

- Build a cubby house with sheets, chairs or cardboard boxes
- Play hide and seek
- Play basket softball and see how many times you can throw a foam ball into a washing basket, keep increasing the distance to make it more challenging
- Have a dance competition or disco at home
- Set a limit on the amount of time children spend in front of a screen (tv, computer etc)

### HEADLICE

A personal story! I tried all the treatments, they didn’t seem to work. An eighty year old great grandmother said ‘olive oil’, saturate then comb and comb and comb. Leave oil in overnight with a towel around head or on the pillow (saves washing). Friday night is a good time, then repeat the following Wednesday, then every Friday for a few weeks.

### NATIONALLY CONSISTENT COLLECTION OF DATA ON SCHOOL STUDENTS WITH DISABILITY 2014

Our school is participating in the collection of nationally consistent data on school students with disability.

We will be collecting information already available in the school about the support that is being provided to students with disability. Better data will help the Government plan for students with disability.

The data collection will have no direct impact on your child and they will not be involved in any testing process.

All information is protected by privacy laws which regulate the collection, storage and disclosure of personal information. Information about the Australian Government’s Privacy Policy can be found here: http://education.gov.au/condensed-privacy-policy. Information about the NSW Government’s privacy policies can be found here: http://www.ipc.nsw.gov.au/

If you do not want your child to be counted in the data collection you need to contact the school before the end of Term 2, 2014. A decision to exclude your child will not affect the support they currently receive.

### UNIFORM SURVEY

Thank you to all the families that completed the last uniform survey and for your comments. The results have come back as inconclusive so there will be no immediate change to the uniform policy. The P&C will put out a more intensive survey to be able to better gauge the school’s opinion as a whole. Thank you.

### PAUL KELLY CUP

Last Wednesday two teams of enthusiastic AFL boys and girls travelled up to Narooma for the Paul Kelly Cup.

The girls won one game and the boys went through undefeated until the final when they eventually lost to Narooma. Everyone had a great day and they all did the school proud. Thanks to Phil Summerfield for training the boys and being there on the day. Thanks also to Andrew Curven for training.

### TONY LOCKETT SHIELD

On Tuesday, 10 June saw the boys play in the Tony Lockett Shield which is the PSSA State Knockout. The boys played well and were great sports. They won one of their three games. Thanks to the parents who helped with transport and being there to support our boys.
