South East Local Land Services and Bermagui Public School have joined together to promote the beauty and richness of the Bermagui River and Wallaga Lake catchment through the eyes of young writers. Recently, students explored the catchment to study its natural resources and cultural heritage.

The students and staff have produced a book promoting the unique aspects of the catchment and the Indigenous culture which is integral to it.

Join us to celebrate the work of the students and staff, present awards and launch the book with the local community.

You are invited to join us to meet the young writers and celebrate their work at the book launch of:
