On Wednesday, 18 November from 5-7pm we will be holding a community consultation session at school to talk about Bermagui PS into 2016 and beyond. We really value the ideas and suggestions from our parents and broader community and hope to see as many of you there as possible. There will be a sausage sizzle and some supervision will be provided in the library for kids who attend as well.

A friendly reminder to parents that if children are late to school, they will need to either be signed in at the office by a parent or a note provided to explain the late arrival. Many families may not be aware that being late to school (a partial absence) needs to be justified just like a whole day absence. Thank you for your ongoing support to ensure that all students attend every day, except in the case of illness or exceptional circumstances.

The staff led by Mrs Caves are currently reviewing our Learning and Support Team practices across the school. A survey regarding our Learning and Support Team will soon be conducted and we will be asking a random selection of families about their ideas and suggestions for supporting those students who require it at school. Thanks in advance for your participation if you are selected to take part.

SCHOOL SWIMMING SCHEME
School swimming scheme will be held at Cobargo Pool from 23 November to 4 December. Priority is given to Year 2 students and students from Years 3 to 6 who are unable to confidently swim 25 metres. Cost is $80 ($55 with season pass). Notes are available from the office or contact school for more details.

P&C BUS SHELTER PROJECT STAGE TWO
Local Builders (and superdad's) Andrew Forbes and Brad Munckton have put in the massive timber poles for the bus shelter. Brad’s bobcat came in very handy not only to dig the holes but to stand the very heavy poles. Andrew set out, placed, braced and concreted poles. A huge thanks to these busy Dads for their time and expertise.

Ned Sunderland from Year 1 Gudhgahh / Frog is recognised for being caring and helpful to others in the playground. Ned and his friend Zac visited Miss Martin and spoke about how they both love maths and reading. Ned is going to be very busy when he grows up as he would like to be a racing car driver, a builder and also a policeman so that he can help people. I can see why he was chosen as our student of the week! Keep up the great effort, Ned!

P&C THANK YOU
A big thank you to Rob Shaw for creating a safe and practical step for use in the school canteen.

Thank you to Emma Maratea for donating eggs.
