We are so excited to share our amazing concert performances this week! A huge thank you to the students, staff and parents who have all worked hard with rehearsals, scripts, costumes, choreography, lighting, sound, props and more! Our concert is a wonderful opportunity for students to develop new skills and confidence and I am sure that the memories made in the past few weeks will last our kids a lifetime!

Congratulations to our Zone Athletes who competed so well at Bega on Friday. There were many outstanding performances in both track and field and your sportsmanship and exceptional behaviour made you brilliant ambassadors for our school. I could not be more proud of the way that our students competed and conducted themselves on the day! Many thanks to Steve Buckley and Mr Garkut for your support in the smooth running of the carnival too!

PAUL KELLY CUP
Yesterday our boys AFL team went to Batemans Bay to compete in the south coast finals of the Paul Kelly Cup. They played through their pool games undefeated. In the final they played Narooma and unfortunately lost. Once again the boys were great ambassadors for the school. Many thanks to all the parents, who over the course of the season, have transported the boys to their various games. It has been much appreciated. Many thanks to Phil, the Breakers coach, for coaching the boys and attending every game they played.

Thank you and congratulations to all those who have participated in the Premier’s Reading Challenge. The 2015 Premier’s Reading Challenge closes on Friday, 21 August for students.

Students must have a validated 2015 Student Reading Record when the challenge closes to complete the challenge and be eligible for a certificate or medal in Term 4.

When the target is reached Mrs Gorman will validate.

James Robson from Year 2/3 Gadhu is making a splash! He is working independently and makes great decisions. Congratulations! James and his friend Jye had morning tea with Miss Martin and James spoke all about how much he loves maths, especially subtraction. James thinks our school has an amazing playground and he loves to play on the fort. His favourite thing at school is our beautiful big tree because it is so old and very special. Keep up the great effort, James!
