Congratulations to Regina Nicholls who competed at the Regional Athletics Championships last week. What a great achievement to represent our Zone! We are so proud of your efforts, Regina!

We encourage all students to be responsible at the end of each school day and knowing in advance how they are getting home supports them to do this. I would like to ask our families to please make sure that your children are aware of their after school arrangements each morning. We often have phone calls throughout the day to change arrangements which we understand is sometimes unavoidable but it can be confusing for students. If a student is unsure of what they are doing after school, they should talk to their class teacher in the first instance.

Our local Aboriginal Education Consultative Group (AECG) have been selected to host a State AECG meeting at the end of this term. This is a great honour for our AECG and involves over 60 AECG presidents and delegates from all over NSW visiting Bermagui. We are looking forward to hosting the meeting in our school hall and can’t wait for the chance to showcase some of the great things happening at Bermagui Public School to our guests!

Jordan Harris from Year 2 has been making a splash for his awesome efforts especially in reading and writing. He is always an enthusiastic participant in class discussions. Jordan and his friend Dane joined Miss Martin for morning tea and Jordan spoke about his favourite playground and classroom activities. He really likes playing footy and he LOVES playing on the fort with his friends. He enjoys drawing and painting and was very proud to point out his watercolour painting that is hanging in the foyer. Jordan is working very hard on his multiplication in maths too. Keep up your fantastic effort, Jordan!

**PARLIAMENT**

Last Friday, Parliament met to discuss a bill proposed by Sophie Marshall and seconded by Tyge Matters. The Bill was about retro/crazy hair Disco and was passed onto the Senate.
