Welcome back to school for 2016! It has been a sensational start to the year with our students settling in to their new classes and routines beautifully. It has been wonderful to welcome our new Kindergarten families to Bermagui Public School and also to welcome ten new students and their families into our older grades. We are so pleased to have you all join us as part of the Bermagui Public School family and know that you will love belonging to our school community.

Please don’t hesitate to discuss any questions or concerns about your child with their class teacher in the first instance. It is always best to make an appointment by phone or email as teachers are often busy with meetings and preparation before and after school and may not have the appropriate amount of time to dedicate to your conversation. A ‘Meet the Teacher’ night will be held on Tuesday, 23 February.

I would like to encourage all families to attend the first P & C meeting of the year tomorrow, Wednesday February 3, 2016 at 5pm in the staffroom. The meetings are friendly and productive and give you the opportunity to hear what we have planned for the year ahead and to share your ideas to make our great school even better. New faces are always very welcome and you can contribute as much or as little as you would like. I hope to see as many of you there as possible.
