Congratulations to our amazing swimmers who were fantastic ambassadors for our school at the Zone Carnival at Candelo on Friday. It was wonderful to see our Bermi families supporting each other and the other competitors and we are so proud of you! Best of luck to Lachlan, Sienna, Austin and Campbell who will now represent the zone at the Regional carnival in Dapto.

We launched our school Facebook page last week and have already had a great response with people liking and sharing our page. You can find the page at www.facebook.com/BermaguiPublicSchoolNSW and tonight I will have a table set up under the COLA with information about our school Facebook page as well as cyber safety more generally. As a school, we are modelling and encouraging safe and positive use of social media and as parents it is essential that you do the same. This means posting only positives and using the appropriate means to discuss issues. For example, if you have a concern about an issue at school, the appropriate response is to discuss this issue directly with your child’s teacher or the school—posting concerns or issues about your child or others on Facebook is not productive and does not help the situation. We are all on the same team and all want the very best for every child so please don’t hesitate to get in touch with our caring, dedicated and hardworking staff to support your child.

Thank you to all of those students and families who have given suggestions for our adventure playground. We would still love to hear your ideas so please keep them coming in. Our newly fenced playground is a great asset to help keep all of our students safe and we look forward to continually improving this area of our playground.

**LEARNING & SUPPORT AT BERMAGUI PS**

For 2016, I will be undertaking the role of Learning and Support teacher at BPS. As part of this role I will connect with families who have students requiring additional support in learning. Our Learning and Support team meets regularly to discuss needs arising in class and strategies to assist teachers, students and families. I will keep families informed when students are referred to the LST. Additionally, families can consult me with any questions or worries they have regarding their child’s learning needs. Please arrange for an appointment through the front office. Working together can make a great difference to student outcomes.

P&C NEWS
Crazy Camel Calendar Correction
For those that purchased an art work calendar last year, Crazy Camel have let us know that April has a mistake in the dates. They have provided stickers that can be put over the dates to correct them. These stickers are available from the office. It is only the calendars that are affected and Crazy Camel send their apologies for any inconvenience this may cause.

Second Hand Clothing Pool
Thank you to everyone who have already brought in their clothes for the second hand clothing pool. We have had some great offerings and they are flying off the racks as soon as they come in! If you have any uniform items that are now too small for your children, we would love you to donate them to the pool. Each item is sold for $2 and all funds raised go towards the P&C projects to help our school. The second hand clothing pool is open every Friday morning from 9 to 9.30am.

Uniform Order
The next uniform order will go in on Tuesday, 1 March so have your order forms into the office by the end of school on that day.

P&C Meeting
The next P&C meeting will be the AGM followed by a regular meeting on Wednesday, 2 March, 5pm in the school staff room. Come along and join the relaxed bunch of Mums, Dads and Grandparents that make up our P&C. We organise a few major fundraisers every year, with everyone doing a little bit, and end up helping our school in so many different ways. We would love to see you there.
