SCHOOL COSTS 2016

The School is aware of the high costs to families associated with schooling. If you are having difficulty meeting these costs please contact us.

**School Voluntary Contributions for 2016 remain the same as 2015 - $40 per student or $60 per family.** This cost assists with the supply of basic school needs such as paper, first aid, toilet paper, pens etc. This is a voluntary contribution.

**Learning resources**
Traditionally, we have asked families to contribute to the costs associated with workbooks and textbooks with last year’s contribution being around $25 per student. As we move towards a more contemporary way of learning, we are asking families to instead contribute to the cost of high quality learning resources including online subscriptions (to Mathletics, Reading Eggs & Reading Eggspress), as well as reading resources and some workbooks.

**For 2016, the contribution for learning resources will be $20 per student**
This will include access at both school and home to Mathletics and Reading Eggs (or Reading Eggspress depending on student ability).

**Please make payment by Friday 4 March 2016.** If paying by cheque please make payable to Bermagui Public School. Should you wish to make a direct deposit to the school account please use BSB 032001 Account No 116861 and a reference that is easily identified. Eg VC Leah Martin
